If a school place becomes available during the academic year & we have a number of children on the waiting list for a place in that class, this is always offered to the child with the highest ranking admission criteria. Please see our admissions policy for more information regarding our admission criteria & how we rank each category.

Once your child has been added to our waiting list, we will contact you the following July of each year to confirm your details and that you still require a place on our waiting list.
